The Garibaldi School is a successful and popular 11-18 school which serves its local community well by providing a first rate education for all its students. We joined the Nova Education Trust as an academy from October 2017.

Results in 2017 were strong with 39% of students achieving 5+ including English and Maths (59% achieving 4+) and 99% of students at A level gaining a Grade A-E. We have created a safe environment where students can feel comfortable, well supported and confident. Our philosophy is based on developing pride in our students for themselves, the school and their community. They are encouraged to have respect for each other and the staff that support them. Ultimately we expect them to aim high and achieve well.

We are looking to appoint a Specialist Learning Assistant to join our Student Support team. The main responsibilities of this post are to lead and line manage apprentice Learning Assistants, lead on the transition of SEND students from primary feeder schools and lead on initiatives to support ARNA students.

- Have a passion for ensuring all students achieve their potential
- Have leadership potential
- Be hardworking
