

THE  
**GARIBALDI**  
SCHOOL

## **Teacher of Science**

### **Maternity Cover**

**Salary: MPS/UPS**

**Contract: full-time, temporary**

**To commence January 2021, initially for 2 terms**

The Garibaldi School, is an academy in the Nova Education Trust. It is a successful and popular 11-18 school which serves its local community well by providing a first rate education for all its students. In 2019, The Garibaldi School was placed number 1 in Mansfield and 6<sup>th</sup> overall in Nottinghamshire for its Progress 8 results.

We have created a safe environment where students can feel comfortable, well supported and confident. Our philosophy is based on developing pride in our students for themselves, the school and their community. They are encouraged to have respect for each other and the staff that support them. Ultimately we expect them to aim high and achieve well.

As a result of the growth in student numbers, we are looking to appoint an enthusiastic, passionate, motivated and dynamic Science teacher. We are looking for a scientist with a particular specialism in chemistry, although this is not essential. You will have good subject knowledge and a passion for Science. You will be hard working, enthusiastic and want students to love Science. You will share an understanding that all members of staff have a collective responsibility to ensure that every student achieves to the best of their ability.

This is a great opportunity for you to join a strong Science department, who will help you to develop into an amazing Science teacher. Opportunities are provided for you to develop and make a difference to the lives of young people.

The Garibaldi School is part of the NOVA Education Trust. We work in collaboration with the 'Trust' to bring our staff the very best professional benefits.

We look forward to hearing from you. If you'd like to find out more visit our website [www.garibaldi.org.uk](http://www.garibaldi.org.uk) or contact Tracey Stocks on 01623 464220.

Closing date: Friday 25<sup>th</sup> September 2020 at 12pm

Interview date: Wednesday 30<sup>th</sup> September 2020

We positively welcome applications from all sections of the community. We are committed to safeguarding and promoting the welfare of young people and expect all staff to share this commitment. Full DBS disclosure will be required.
