# Thinking about joining our passionate, dynamic team?

We really care about making Burton and South Derbyshire College a vibrant, outstanding college. There couldn't be a more exciting time to help us reshape BSDC for the challenges and opportunities ahead.

Over 400 people work hard to make our college the success it is, from invigilators joining us for a few hours a year through flexible part time work, to many full time academic and support roles.

If you share our passion for challenging, improving and making our college the best it can be, we'd love to hear from you.

## In the words of BSDC employees...

"It is great to see how the work done at the College contributes to the success of the learners, their welfare and their future. I find the College a truly inspirational environment to work in."

"There is so much innovation and enthusiasm for teaching, learning and assessment."

"We have a lovely community spirit."

"During my time here, we have implemented a lot of positive changes and built upon the strong heritage BSDC has within the communities we serve. With even more progressive changes planned for the future, we're in a really strong position to succeed in our aim of becoming a **vibrant** and **outstanding** college with a **local, regional, national and international reputation for excellence.**"

**John Beaty, Vice Principal: Corporate Relationships and Customer Experience**

# Why choose us?

---

## **We have a reputation to be proud of**

Our college is very highly thought of locally – we're held in high regard by learners, parents and the business community.

## **We're constantly growing**

Things don't stand still here. We enrol over 4,000 learners, including 450 on Higher Education courses. Our ever-developing range of services means we've grown continually for the past ten years. And our plans for the future are just as ambitious.

## **We invest in you**

Learn something new each day here. We invest £350,000 each year in developing our team, both within the College and through external courses. It's a commitment we're proud of.

## **We invest in facilities**

We've invested more than £14m in facilities over the last six years, including a Design and Creative Industries Centre, Sports Centre, Automotive and Engineering Skills Academy and a University Centre.

## **We've got firm employer links**

Training contracts with big name employers help us prepare students for the world of work. We play a leading role in the economic development of the area thanks to outstanding partnerships with leading global firms and the National Football Centre.

## **We're right at the heart of things**

We're easy to get to, right in the centre of town with fantastic public transport links and close to the A38, A50, M1 and M6. It's a great place to live, close to castles and cathedrals, zoos and theme parks, and the glorious National Forest on our doorstep.

**We have the Disability Confident Employer symbol**, which demonstrates our commitment to improving employment opportunities for people with disabilities.
