Overview of the Trust

Nottingham University Samworth Academy is a member of the Nova Education Trust, a dynamic and growing Multi Academy Trust based in the East Midlands. Our Trust is committed to providing high quality education to all our students, regardless of their backgrounds. Our track record demonstrates our ability to deliver our core goal: achievement for every child. Our portfolio of schools covers both secondary and primary phases, working in a range of contexts.

Our values are central to the positive ethos that we develop throughout our group of schools. This approach is focused on securing success for all our learners and providing them with the very best life opportunities.

We believe nothing is more important than making a difference to children.

Overview of the School

Every child deserves the opportunity to access a high-quality education. Our aim at NUSA is very simple and that is to be recognised as outstanding in every aspect. The determination of staff and governors to achieve this goal is very strong and is based on our core belief that every child can succeed.

At NUSA, all of our staff show genuine care for every student in their charge. Strong, supporting and trusting relationships are a real strength of the school. We ensure that the welfare of each student is catered for. We encourage our students to take pride in themselves, the school and their community. We believe that all members of the school should behave well and have respect for each other. We want our students to become the leaders and achievers of the future and want to provide them with every opportunity possible to allow them to go on to succeed in their chosen career area. We expect our students to attend school regularly, on time, in uniform and with the right equipment, ready to learn and engage with the opportunities that we provide for them.

Curriculum

At NUSA, our curriculum furnishes our students with the subject knowledge and personal development to empower them to 'write their own life story'. The key focus throughout our curriculum emphasises embedding literacy and numeracy across all the subjects that we teach. We firmly believe that both literacy and numeracy are the keys to opening the door to learning and access to a broad range of opportunities beyond NUSA.

Each subject places specialist vocabulary, reading and class talk at the heart of their curriculum planning to create confident, articulate young people who are empowered to write, and own, their story. We carefully select ambitious knowledge to be taught across all subjects and ensure that this builds on the knowledge learnt at KS2.

Alongside the subject specific knowledge, we also ensure that students are provided with the opportunities to develop their understanding of careers in each of the subject areas, so that they are fully equipped to make ambitious choices for their future beyond NUSA.

Staff Well-being and Welfare

The school contributes to the Westfield Health Scheme for all members of staff, which covers a range of services including dental care, optical care, health screening advice and 24-hour counselling services. Teaching staff are eligible to join the Teachers' Pension Scheme and support staff are eligible to join the Local Government Pension Scheme.
