IN SHORT

Are you passionate about your trade?

Are you looking to do something different?

Have you ever thought about teaching?

Milton Keynes College Group are always looking for industry experts to join our teaching team within the Built Environments & Engineering schools. We have a wonderfully diverse group of students and apprentices studying towards a variety of qualifications in these areas. Our students are driven to pursue careers in Engineering and Electrical fields - who better to teach our students than those who have worked directly in the industries!

Requirements range from single sessions on an hourly paid basis up to contracted salaried roles, and everything in between – so we are ideally looking for flexibility and commitment. We are looking for individuals with the below skillsets/qualifications who are interested to join the team and support teaching in both the practical and theory elements of our students learning!

- **Electrical Installation**
- **Engineering (Including - CAD / Engineering Communications up to Level 5 / Engineering Science up to Level 3 / Engineering Maths up to Level 2 / Lean Manufacturing)**

No previous teaching experience? Don't let this put you off... If you are a passionate person with the capacity to become a great teacher we can provide the training to help you achieve your full potential, just as we expect you to be able to help our students achieve theirs.

Get in touch today if you are a passionate and energetic individual looking to share your academic and learned knowledge with a new generation.

MK College will treat all applicants fairly and with respect, irrespective of their background, disability or any other individual characteristic. We particularly encourage applications from people with backgrounds which are currently under-represented within Milton Keynes College. All offers made to successful candidates are subject to satisfactory outcomes to a range of pre-employment checks including a Disclosure and Barring Service check (DBS). In addition, security clearance is required for all prison services positions up to Counter Terrorist Check (CTC) level.

Fairer Futures

ABOUT US

Welcoming those who want to learn and improve, we focus on meeting individual needs. The College is at the heart of the city's economic vision and community strategy, in addition to being a major employer with over 1,000 people working with us. We build and nurture strong partnerships with the wider community and local businesses with an interest in making the Milton Keynes College Group a safe, innovative and inspiring place in which to learn and work. We are proud to offer an open and inclusive education experience to learners of all levels and backgrounds, with over 3,000 16-19 year olds currently studying with us and a total student population of over 8,000. We offer a broad variety of qualifications, including vocational courses, apprenticeships, higher education, professional certificates as well as employability skills and community training.

Founded on the principle of Further Education's ability to transform lives through learning, we're proud to create an environment that attracts the best staff and students from Milton Keynes and the surrounding areas and supports education in Prisons nationally. The value we gain from the diverse communities we serve is immeasurable. We want all our staff, students and learners to feel they are an integral part of the College and together we will create an inclusive culture where everyone can contribute to College life and our collective knowledge and growth. When applying for a role at the College, you can expect the same level of commitment towards diversity and inclusion as you'll experience when you've started with us. We treat all our applicants fairly and with respect, irrespective of their background, disability or any other individual characteristic. We particularly encourage applications from people with backgrounds which are currently under-represented within Milton Keynes College.

Code Makers Academy is a subsidiary of Milton Keynes College and is the delivery arm of the South Central Institute of Technology. The South Central IoT is a consortium of prestigious partners led by Milton Keynes College. Anchor partners include Microsoft, McAfee, Evidence Talks, Activate Learning, Cranfield University and KPMG.

The College is also a national provider of education services in prisons across the country. For nearly 30 years, we have worked with offenders in both custody, the wider community and currently work with 19 prisons across England; this includes 13 prisons, which make up the Long Term High Security Estate, and 6 category B, C & D men's prisons.

Milton Keynes College is a committed safer recruitment employer in line with Keeping Children Safe in Education (KCSIE). We take extreme care in ensuring the safety and welfare of children, young people and vulnerable adults. **All offers made to successful candidates are subject to satisfactory outcomes from a range of pre-employment checks including a Disclosure and Barring Service check (DBS). In addition, security clearance is required for all prison services positions up to Counter Terrorist Check (CTC) level.**
